Why OpsWork is Different

OUR DIFFERENTIATORS

Single-Window Utility Partner

One contract covers boilers, utilities, water treatment, fabrication and manpower — no juggling multiple vendors.

Skilled Workforce

Trained, certified and experienced utility teams.

Strong Compliance Culture

Documented statutory discipline as standard.

Cost, Energy & Time Savings

Efficiency targets built into every operations contract.

Repeat Business

Marquee clients renew and expand scope.

PAN India Execution

Mobilisation across plants nationwide.

Solving Industry Challenges

WHY PARTNER WITH US

Manpower shortage

Robust sourcing network keeps every shift fully manned, round the clock

Skill gap

Customised training and continuous skill development

Resource churn

Competitive packages, engagement and career growth

Compliance risk

Expert compliance management and proactive risk review

Non-core load

Specialist resources that reduce operational cost

WHAT ELSE YOU GET

Low manpower attrition

24x7 shift coverage

Dedicated HR & compliance teams

Technology-enabled operations

Faster mobilisation capability

IN-HOUSE FUNCTIONS BEHIND EVERY DEPLOYMENT

Manpower Sourcing · Human Resources · Compliance · Payroll · Accounts & Finance · Business Development

Trusted by Industry Leaders

PROVEN EXECUTION ACROSS INDIA

13+ marquee clients across pharmaceuticals, chemicals, tyre, brewing, food and energy — with repeat business orders.

Long-running utility contracts at multi-site pharmaceutical, chemical and manufacturing plants.

Delivered, Renewed, Expanded

CLIENT SUCCESS STORIES

PHARMACEUTICAL

Company in Gujarat

SCOPE OF WORK

Boiler operations

MANPOWER DEPLOYED

60+ across three shifts

DURATION

3 years, contract renewed

KEY ACHIEVEMENT

Sustained utility uptime through audits

CHEMICAL

Company in Maharashtra

SCOPE OF WORK

Utility operations and fabrication support

MANPOWER DEPLOYED

45+ engineers and operators

DURATION

2 years, scope expanded

KEY ACHIEVEMENT

Shutdown completed to schedule

Brewery

Company in West Bengal

SCOPE OF WORK

Boiler Operation & Refrigeration

MANPOWER DEPLOYED

35+ on per-MT model

DURATION

Annual rate contract 2 years

KEY ACHIEVEMENT

Reduced truck waiting time

Illustrative case formats — populated with approved client data on request.
